Transfer Authority

I, the authorised signatory, have responsibility for dealing with telecommunications matters and am authorised to sign this transfer authority and make the changes to the services listed in section 2 above and agree that The telephone service number(s) under the accounts identified in section 2 above are to be transferred to Oracle Telecom. I acknowledge that the service numbers provided in section 2 above are correct and correspond to the service numbers I require to be transferred to Oracle Telecom. A porting charge may apply for each 13, 1300 or 1800 service number. There may be consequences from the transfer arising from my existing telephone contract and it is my responsibility to check the terms and conditions of any existing contracts relevant to the services being transferred. Oracle Telecom may choose my carrier. I acknowledge that I may surrender all incentives and benefits with my current telephone company (eg. Discount plans, charity concessions). Oracle Telecom can ask my current telephone company to release me. I authorise Oracle Telecom to sign on my behalf and in my name forms of authority to my current Supplier to transfer my services into my name. The telephone service number(s) will remain active with my current telephone company until the transfer is effective. I will be solely responsible to Oracle Telecom for all charges incurred by me on the service numbers I have provided to Oracle Telecom for transfer to them, after the date the transfer is effective. I understand I will still be responsible to my current telephone company for any charges which are incurred and/or billed up to the date the transfer is effective. I will contact my current telephone company in relation to providing service and any faults until the transfer is effective.
